

# Puppy Pals Rescue

*Yips and Yaps*

## Great News For Puppy Pals Rescue!

Effective February 10th 2009, Puppy Pals Rescue was approved for 501c3 Status. Puppy Pals Rescue is now a Registered 501c3 Non-Profit Organization! We would like to extend our thanks to everyone who helped us with the whole process.

## Puppy Pals Rescue Takes In 15 Foster Pups In ONE DAY!

On February 5<sup>th</sup> PPR came to the rescue of 15 small breed dogs. A rented U-Haul van filled with crates and pet taxi's and four PPR members drove three hours to save the lives of 15 small breed dogs that were living at another rescue in need of help due to an overwhelming amount of needy animals. Many were breeder dogs. All were in need of medical attention – some had very intensive needs.

After all the pups were loaded up, they headed back to the Beavercreek, Ohio area. Group members met at **The Country Laundromutt**, a grooming shop in Xenia owned by a PPR member. The dogs were bathed, groomed, and then headed for a veterinary examination, shots, heartworm and fecal exams. They received any additional medical attention that they needed immediately.

Once all 15 dogs were vetted they headed back to the grooming shop where their foster parents were anxiously awaiting to meet their new foster pups and take them home to start their new lives.

Four of these special pups have already been adopted! The others are on our website and getting inquiries from potential furever homes!

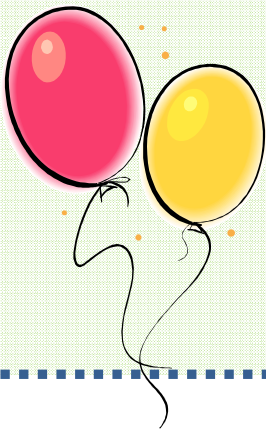

If you would like to donate towards the medical expenses of these pups, see our website at [www.puppypalsrescue.com](http://www.puppypalsrescue.com) - there is a PayPal link right on our homepage for easy transfer of monies!
